## 2010 SPRING LEAGUE

SUPPORTED BY PINEHURST SCHOOL and CHALLENGE LOGISTICS

**Kidzplay Netball is an open netball league for Year 1 – 4 players. We offer an environment for children to have the opportunity to have fun while learning ball skills, team work, fair play and the pure enjoyment of playing a sport.**

All games are played on Saturdays and are non-competitive. Games will be played in 2010 from the 16<sup>th</sup> October – 4<sup>th</sup> December (exc. 23<sup>rd</sup> October Labour Weekend). All games are played at Pinehurst School, Bush Road, Albany.

**Year 1** children play a non-competitive 6-a-side version of netball. They have two centres, two attackers and two defenders. They play on a  $\frac{3}{4}$  size netball court, with a size 4 netball ball and shoot at 1.8m (6ft) goal posts. If providing your own umpire they must be an adult willing to work with our mentors. Bibs are provided.

Year 1's who have participated in the 2010 Winter League may choose to play standard netball.

**Year 2** - play on a full size court, with a size 4 netball and shoot at 2.3m (7ft 6inch) goals. These children are placed into the traditional positions of netball but the main emphasis is on the understanding of passing the ball down the court towards their goal and then shooting a goal!

**Year 3 and Year 4** play on a full size court with a No 4 netball and shoot at 2.6m (8ft 6inch) goal posts. The players quickly develop their skills and the understanding of netball.

### Rules of Participation

1. All players **MUST** rotate positions each week ensuring that over 7 weeks (Year 1 will rotate fully in six weeks) each position is played (refer to the Kidzplay Netball website for a spreadsheet). This is to ensure that all players have the opportunity to learn all the positions. Substitutions can not be made except when players are on a half game. Then the new player **must go** into the position vacated at half time. NO players can be moved around during the game.
2. Each team is to supply an umpire. Two umpires control the game in the Netball NZ format. Kidzplay Netball guidelines are on the back of the score cards.
3. Players are **NOT** allowed on the court wearing earrings (including keepers or **taping**), watches or other jewellery
4. We expect supporters on the sideline to leave the coaching of the teams to the coaches, umpiring to the umpires and ask that they give only positive support to all.
5. Games will not be cancelled due to the weather. In the case of extreme weather warnings this decision may be changed. Please refer to our website.
6. Players can not play down a grade or a year.
7. A maximum of two boys may play per team. They must play in different thirds of the court.

### General Guidelines

1. Game balls are supplied
2. Bibs are provided for the Year 1 6-a-side games.
3. The Kidzplay Netball league is a learning experience for players, coaches and umpires.
4. All games are played on Saturdays from 8.10am until mid afternoon. Time for the final game depends on the number of teams involved in the league.

### Umpire Pool

Kidzplay Netball provides Umpire Mentors who are at the courts to support ALL umpires. We do have a pool of umpires who we may be able to supply for your game if required. This can be a long standing arrangement or a one off request. It is important that these umpires are booked by the Tuesday prior to the game. If you require an umpire each week please mark this on the registration form. Each umpire that we supply must be paid \$5 per game directly to the umpire. If you should cancel your request on Friday or later then the \$5 must still be paid to the umpire.

### Draws and Notices
