## Kidzplay Netball Winter Open Netball League for Year 1 – Year 4 players

Kidzplay Netball offers Year 1 – Year 4 players the opportunity to participate in netball games. Year 2 – Year 4 play in two 15 minute halves with a 2 minute half time break, Year 1's play in two 10 minute halves with a 2 minute half time break.

*Please note this league does not cater for individual players, only registration of teams are accepted.*

All games are played on Saturdays at Pinehurst School, Bush Road, Albany from 8.10am until mid afternoon. Games will be played in 2010 on the 1<sup>st</sup> May – 26<sup>th</sup> June (exc. 5<sup>th</sup> June) and 24<sup>th</sup> July – 4<sup>th</sup> September 2010.

**Year 1** children play a non-competitive 6-a-side version of netball. They have two centres, two attackers and two defenders. They play on a  $\frac{3}{4}$  size netball court, with a size 4 netball ball and shoot at 1.8m (6ft) goal posts. If providing your own umpire they must be an adult willing to work with our mentors. Bibs are provided

**Year 2** play on a full size court, with a size 4 netball and shoot at 2.3m (7ft 6inch) goals. These children are placed into the traditional positions of netball but the main emphasis is on the understanding of passing the ball down the court towards their goal and then shooting a goal!

**Year 3 and Year 4** play on a full size court with a size 4 netball and shoot at 2.6m (8ft 6inch) goal posts. The players quickly develop their skills and understanding of netball.

### Rules of Participation

1. All players **MUST** rotate positions each week ensuring that over 7 weeks each position is played (refer to the Kidzplay Netball website for a spreadsheet). This is to ensure that all players have the opportunity to learn all the positions that make up netball. Substitutions can not be made except when players are on a half game. Then the new player **must go** into the position vacated at half time.

**NO** player can move positions during the game.

2. Each team is to supply their own umpire or pay \$5 per game to use a pool umpire (refer to pool umpire notes). Two umpires control the game in the Netball NZ format, with some small variance based on age group and ability. Kidzplay Netball guidelines are on the back of the score cards.

3. Players are **NOT** allowed on the court wearing earrings (including keepers or **taping**), watches or other jewellery.

4. We expect supporters on the sideline to leave the coaching of the teams to the coaches and ask that they give only positive support to all.

5. Games will not be cancelled due to the weather. In the case of extreme weather warnings this decision may be changed. Please refer to our website.

6. Players can not play down a grade or a year.

7. A maximum of two boys may play per team. They must play in different thirds of the court.

### General Guidelines

1. Game balls are supplied

2. Basic First Aid supplies are available

3. The Kidzplay Netball league is a learning experience for players, coaches and umpires.

4. All games are played on Saturdays from 8.10am until mid afternoon. Time for the final game depends on the number of teams involved in the league.

**Your school team, or group of friends (not connected to a school) are invited to take part in our league. We look forward to your involvement. Please get your registrations in early as it may be necessary to have a cut off.**

**If you have any queries please do not hesitate to contact me (Maureen Mulcahy).**

## Team Representatives Meeting

On the 29<sup>th</sup> April (Thursday) 7pm – 8pm a meeting will be held (in the Pinehurst Sports Pavilion) for the coach and manager of each team. We will outline our program and requirements. This will be an opportunity for you to meet our mentors and ask your questions. A FREE Size 4 netball will be available for each team that **attends** the meeting (please note: balls will only be given to the coach of each team that attends the meeting and will not be given to netball co-ordinators or other school representatives).

## Draws and Notices

All draws and related information can be found on the [kidzplaynetball.co.nz](http://kidzplaynetball.co.nz) website.

We do our best to get the draws out as quickly as possible each week. Please be patient with us ☺ If you have not received the information by Thursday morning please contact us.

## Grading

Grading will be run over the first three weeks of the league. To help us, please number your teams on the registration form if you have more than one in an age group to show the level within your school.

After grading has finished all teams will be put into a section and a draw will be issued for the remainder of the term. Where possible we will not play semi-final and final games but this will be dependent on the number of teams in each section.

## Umpire Pool

Kidzplay Netball provide umpire mentors who are at the courts to support all of our umpires. We do have a pool of umpires who we may be able to supply for your game if required. This can be a long standing arrangement or a one off request. It is important that these umpires **are booked by the Tuesday prior** to the game. If you require an umpire each week please mark this on the registration form. The \$5 payment must be made directly to the umpire, preferably before the game. If you should cancel your request on Friday or later then the \$5 must still be paid to the umpire (please hand into the control table).
